Actions	What we need (resources)	Monitoring and notes
Advocate to expand YKC to Wellington once it is established in Dubbo		
Advocate to ensure that the YKC connects with local youth services, men's and women's elders groups.		
Develop a resource for young people, their carers, and support people about bail conditions.		
Support the establishment and operation of YKC in Dubbo.		
ADVO enhancement strategy continued ...		
Actions	What we need	Monitoring and notes
The Working Group continue its work.		
Investigate availability of the Domestic Violence Duty Scheme in Dubbo and other locations in the region.		
Explore the feasibility of delivering an information session to community workers about ADVOs and related issues.		This could be in a CLSD meeting, a separate online event, or form part of networking/CLE combined with outreach.
Outreach and referrals		
Actions	Resources	Notes and Monitoring
Hold an online meeting with partners to coordinate our 2023 legal outreach events in January 2023.		

Add relationship building events between local services and visiting legal services during legal outreach events to demystify legal services.		
Consult with partners about developing a joint legal service guide for Coonamble and possibly other locations.		
Approach pro-bono legal partners about a project to determine unmet legal need in the Central West, particularly unmet legal needs of Aboriginal and Torres Strait Islander people.
