### Reasons for making this application and the duration sought

The applicant is seeking an apprehended domestic violence order for the period of 2 years. The reasons the applicant is making an application for an apprehended domestic violence order and seeks the period specific above are as follows –

The applicant and the defendant have been married for 4 years. There is one 18 month old child of the relationship. The parties formerly resided together at 12/100 Victoria Road, Double Bay. Following the incidents described in this application, the defendant moved out. The daughter lived with the applicant.

The defendant is currently unemployed after losing his job as a salesman 4 months ago. The applicant is employed as a nurse at the Wayside Mercy Medical Centre.

On Sunday 3 April 20XX the defendant and applicant were at home. Their daughter was asleep in her cot in the bedroom. The defendant and applicant were arguing in the lounge room about their financial situation. The defendant started yelling at the applicant, calling her 'lazy' and 'useless'. The applicant tried to leave the room but the defendant blocked her path. The defendant then pushed the applicant, causing her to fall over onto her right arm. The applicant felt a sharp pain in her arm and later attended Prince of Wales Hospital where she was advised that she had a fractured ulna (forearm).

The defendant left the house immediately after the argument. He returned at approximately 10.00AM the following day to collect some belongings. He then moved out of the house.

The applicant fears for her safety, as the defendant has pushed her in the past and often loses his temper.
